October 1, 2011

Dear Pastor/Priest:

Sadly, traffic crashes are an ever-present danger for our community members. In an average year, more than 4,000 Hispanic vehicle occupants are killed in motor vehicle crashes. But together, we can make a positive impact and work to make our streets and highways better and safer for travel. You can help influence the decisions your congregation members make behind the wheel by sharing life-saving tips for traffic safety, helping to prevent tragic crashes that kill thousands of Hispanics every year.

Make a difference – become a voice for traffic safety by sharing the National Highway Traffic Safety Administration (NHTSA) Region 6 Clergy Kit for October through December with your congregation and community.

In this quarter, the messages emphasize alcohol-impaired driving, seat belts, child passenger safety, distracted driving, and teen driving. In addition, you'll find a Sunday school activity for your congregation's youth.

The Clergy Kit contains:

- Church Bulletin Safety Announcements for October - December 2011
- Pastor/Priest Notes for a Traffic Safety Sermon Message
- Weekly Safety Reminders
- Sunday School Activity

Thank you for your continued support in sharing traffic safety messages. If you need additional information or other assistance to help promote traffic safety within your church, please contact me at 817.978.3792 or visit [www.coremessages.com](http://www.coremessages.com) for downloadable versions. Let us come together to make every journey safe for our families and all members of our community.

Sincerely,

Frank Marrero  
Regional Program Manager
