

WHAT'S WRONG WITH THIS PICTURE?

TRAFFIC CRASHES ARE THE LEADING CAUSE OF DEATH FOR TEENAGERS IN AMERICA. THE MAJORITY OF TEENS KILLED IN TRAFFIC CRASHES WERE NOT WEARING THEIR SEAT BELT. DON'T BECOME A STATISTIC—DRIVE SAFELY!

What's wrong: The driver is not wearing her seat belt and is being inattentive. She is distracted by talking on her cell phone and listening to loud music on the radio. To be a safe driver, get rid of distractions and focus on the road!
